**Section One: Significant Events / Cases / Community & Collaborative Meetings**

*The month started out lively. On November 2<sup>nd</sup>, Deputy Nunemaker and Devenney contacted an intoxicated male who was subsequently arrested for DUI.*

*On November 5<sup>th</sup>, 2020, Deputies responded to a location known to us. The two males involved in a domestic incident both had to be transported to Providence for care and one being transferred to Harborview for treatment. One of the males sustained a "five-inch laceration" to his arm, requiring 20 stitches and the other male will most likely lose an eye.*

*On November 22<sup>nd</sup>, Deputy Nunemaker responded to a call of malicious mischief at the old high school and the new high school. With great communication and teamwork, Deputy Nunemaker had the suspect identified on Monday. A Deputy obtained a confession and after several interviews, we arrested said male and booked him into NYC for two counts of felony Malicious Mischief, and one count of Destroying Property under the Governor's Proclamation. Total estimate of damage to all the school property is about \$200,000.*

**RCW [43.06.230](#) State of emergency—Destroying or damaging property or causing personal injury—Penalty.**

After the proclamation of a state of emergency as provided in RCW [43.06.010](#), any person who maliciously destroys or damages any real or personal property or maliciously injures another is guilty of a class B felony and upon conviction thereof shall be imprisoned in a state correctional facility for not less than two years nor more than ten years.

Deputies continue to work hard in the contract region.

On November 11<sup>th</sup>, we responded to a shooting call out the Mountain Loop. One of our normal vagrants shot himself in the foot with a lever action 30-30. The gun was stolen. Charges for unlawful possession of a firearm was referred. This male, at the time of this report was still at Providence.

On November 22<sup>nd</sup>, we responded to an accidental discharge on the Green Mountain Road, where a male thought the handgun he had was unloaded and shot his friend in the upper thigh. They were shooting in a non-shooting area.

**Section Two: Project / Emphasis Area Status**

*On November 24<sup>th</sup>, we took possession of the newest patrol truck for the region. It still needs a few things done to it, but this is scheduled for the 1<sup>st</sup> week of December. People are already commenting on the new trucks, in a positive manner.*

*We are going to repurpose one of the large tables in the current building and hopefully use it in the new PD multi-purpose room. We will attempt to strip it down and refinish it.*

### Section Four: Calls for Service / Crime Trends

*Deputies answered 596 calls for service as of November 25<sup>th</sup>, 2020. This call volume on average, was 23 calls per day. Dayshift, of course responded to most of the calls for service, 335.*

*County calls were busy this month, including numerous DV arrests. In all, regional Deputies responded to 16 DV related calls and made five arrests.*

*Our mental/suicide calls are still on the rise, we link this to COVID 19. Year to date we have responded to 132 calls for service involving mental issues.*

*In the city limits, we took:*

*4 assault calls, 2 burglary calls, 2 DUI's, 2 theft calls, 4 mental calls along with numerous other types of calls. I've asked the Deputies to step up neighbourhood patrol checks to try and mitigate the porch pirate opportunities.*

### Section Five: Next Steps

*We conducted an oral board for the new Deputy position coming up at "Bid time". Three candidates participated. All three were great candidates and it would have been great taking all three, but Deputy Nicole Bolasky was the top point earner through the process. When I contacted Deputy Bolasky, she sounded very excited to start her new adventure out here.*

*On November 30<sup>th</sup>, Cynthia Jurado will start as our new Law Enforcement Secretary. She comes with great experience from being a Lead LET on our fourth floor. She too, is excited at the opportunity to work in the Granite Falls region.*

*Brent and I spoke, we would like to get up and running the Permittium system and have a target date of January 1, 2021 as beginning to process CPL's on limited appointment only basis. Details to still be worked out with our Communication and Technology Division.*
